

To Our Valued Customers:

The health and well-being of end users, installers, and distributors of our products is of the utmost importance to our company. It is a key reason we take such extensive measures to ensure our products meet applicable manufacturing quality standards, third-party certifications, and various code authority regulations.

This letter is to inform you that, unless clearly indicated otherwise on the product or product package, products manufactured by Mueller Refrigeration, LLC do not contain any chemicals the state of California has determined present a risk of cancer or birth defects, or other reproductive harm under California's Safe Drinking Water & Toxic Enforcement Act of 1986 ("Proposition 65").

The Proposition 65 chemical list can be found at:
