Subject: Inline Check Valve Seat

Mueller Refrigeration is announcing a seat material change to the design of the inline check valve product line. The current Neoprene seat will be replaced by a PTFE seat. The functional performance of the valves will remain constant.

Part numbers included in this change are as follows:

PARTNO	DESCRIPTION
A 15620	1/4 FL Check Valve
A 15621	3/8 FL Check Valve
A 15622	1/2 FL Check Valve
A 15623	5/8 FL Check Valve
A 15628	1/4 OD Check Valve
A 15629	3/8 OD Check Valve
A 15630	1/2 OD Check Valve
A 15631	5/8 OD Check Valve
A 15632	1/4 OD Check Valve, Extended Ends
A 15633	3/8 OD Check Valve, Extended Ends
A 15634	1/2 OD Check Valve, Extended Ends
A 15635	5/8 OD Check Valve, Extended Ends
B 33237	1/4 Flare Check Valve
B 33617	5/8FL x 5/8SD Check VLV

Target implementation is Quarter 1, 2012.
