

Date: 2/23/18
Subject 1 1/8" Transcritical CO2 Ball Valve

Mueller Refrigeration is announcing a correction to the Transcritical CO2 Ball Valve product line literature. The 1 1/8" valve is available only with Straight End Connection. Please revise your cross reference as follows:

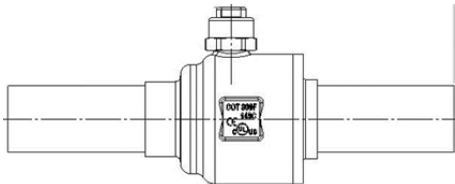

Inactive Part Number:

A 17865XHP, 1 1/8" Transcritical CO2 Valve, Solder Cup Connection

Replacement Part Number:

AF17865XHP, 1 1/8" Transcritical CO2 Valve, Straight End Connection

If you require additional assistance, please contact your local Mueller representative.
