

Date: 8/5/20
Subject A 16447, NFT5-4 1/4 FL Seal Caps

Mueller Refrigeration LLC is announcing a design change to the 1/4 flare seal cap included on the ball valve product line.

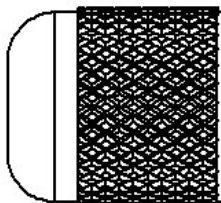

The redesigned cap will have visible differences to the current product offering:

- Thicker wall to align with higher pressures for the CYCLEMASTER® Ball Valve product line
- More knurl area providing larger gripping surface to make cap installation/removal easier

Current offering

Redesign

Targeted implementation for this change is Q1 2021.

For additional information, please contact your local Mueller Refrigeration sales representative or Customer Service at 800-251-8983.
